You should not have a D or F in any class when taking a college visit; your academics at UHS come first!

Unioto does not furnish transportation nor do we chaperone this type of trip. However, we do feel it is important for students to visit colleges & universities when making an informed decision about where to go to pursue education after high school. By signing you acknowledge your child will miss school on the date of the proposed visit and you agree to release Unioto High School from the responsibility for your son/daughter during travel and while at the visit. Please refer to the agenda book for more details and specific information regarding college visits and the attendance policy.
