

Want to earn a free 2010 high school yearbook? Name: _____

Simply sell enough purple patrons at \$10 each and/or gold patrons at \$20 each to total \$100. A patron ad simply lists people's names (no businesses) and is a combination of **no more** than thirty letters and spaces such as --

Johnny, Judy, & Joey Appleseed (exactly 30 letters and spaces)

Go Tanks! The Dickson Family (28 letters and spaces)

If you want your name imprinted on your book, sell one more \$10 patron ad. To earn your free book, put your name at the top and return this completed form to Yearbook Advisor Ms. Dickson (Room 101) by February 1, 2010, along with \$100 (or \$110 if you sold the extra patron ad for name imprint).

Write your patron name in the following and either \$10 for purple or \$20 for gold in the \$ line:
